MEMOIRS.

EDWARD JAMES PENNINGTON.

BY REV. S. H. BROWNE.

Edward James Pennington was born August 24, 1828, and died, in Summerville, S. C., December 23 1877.

Brother Pennington was admitted on trial in the South Carolina Conference in 1849, and the following year, (1850,) traveled the Charlotte circuit; 1851, the Newberry circuit; 1852, the Black Swamp circuit. He then located, and remained in that relation until the close of 1855, at which time he was re-admitted, and, in 1856 he served the Cooper River circuit; 1857, the Chesterfield circuit; 1858 and 1859, the Lexington circuit; 1860 and 1861, the Prince William mission; 1863 and 1864, Coalfields mission; 1865, Chesterfield circuit; 1866, Cooper River circuit. In the course of his ministry, he was duly ordained to the office of Deacon, and also to that of Elder. Through the years 1867 and 1868, he sustained the relation of supernumerary, and after that he was placed on the superannuated list, and there remained until his death.

Though favored with ordinary health during the earlier years of his ministry, Brother Pennington was not able to do hard work long at a time. His physical resources demanded more frequent and longer resting than his devotion and earnestness would willingly grant. Greater consideration toward his own well-being might have placed his superannuation and death at later dates. Willingness, readiness and faithfulness were conspicuous in the ministry of our departed fellow-laborer; and, according to the talents committed, he gave convincing proof of his call to preach the Gospel of Christ. His labors were more than acceptable. Through his humble labors sinners were brought to a saving knowledge of the Redeemer. His efficiency as a preacher was most manifest when working among the broken-hearted in time of revivals. It gave great joy to his heart to witness the translation of souls from darkness to light, from the power of Satan to God.

Brother Pennington placed a high estimate on membership in the Conference. He dearly loved his brethren, and cheerfully accepted his appointed places of labor and privation. As added to an humble Christian life, his highest and sole ambition was to be a successful Methodist preacher. With sadness, but without murmuring, he acquiesced in his assignment to the non-effective relation which he sustained to the Conference the last eleven years of his life.

It would seem a strange Providence, that this good man and faithful servant of the Lord, should have been called to endure so general a wreck of his physical powers, and so manifest impairment of his mental faculties, as obtained over the entire man for many weary months preceding his final release from the sufferings

of this present time. Yet, as he gradually sank into obliviousness and helplessness, his heart-knowledge of Christ, his friend and Saviour, survived the recognition of even wife and mother. He knew God after he ceased to know any one else. His life was hid with Christ in God. With apparently naught else but that knowledge which is the synonym of life eternal, he calmly reposed in the everlasting arms, and there, in sweet hope, fell on sleep.

REV. A. R. DANNER.

BY REV. GEO. H. POOSER.

Archibald Rogerson Danner was born in the town of Walterboro', Colleton County, S. C, in the year 1809; was converted and joined the Methodist Church in 1830, and was licensed to preach the Gospel. In the year 1840 he was ordained Deacon by Bishop Andrew, and Elder, in 1844, by Bishop Soule.

For a number of years he was employed as a missionary in the lower portion of our State, carrying to white and black glad tidings of salvation. No man, perhaps, ever labored more successfully in bringing souls to Christ, in the Counties of Charleston and Colleton, than he did. While waiting upon his earnest ministration of the Word of Life, sinners by scores yielded to be saved. He was ever faithful in meeting his appointments, and in discharging all the duties of a Christian minister.

He obtained the blessing of perfect love in October, 1867, in Summerville, while engaged in reading the Bible, and in prayer, when shower after shower of blessing came upon his soul.

It were difficult to find a more holy man of God than he was. He inspired confidence and love wherever he went. His tall, manly form; his calm, godly counsels and expressions of tenderness and love drew everybody to him. As a preacher, he was plain, simple, earnest, and eminently spiritual. He would often rejoice while preaching.

Brother Danner was received into the traveling connection in the South Carolina Conference, at Spartanburg, in 1871, and labored faithfully as an itinerant preacher until the Spring of the present year, when disease fastened itself upon him. He lingered during the Summer months, and, as Fall came on, was confined to his bed. Even when suffering most, he seemed to be engaged in prayer. It was the writer's privilege to visit him a short time before he died. On one occasion, after passing through a severe paroxysm of suffering, he began to speak to us about his condition, and said: "I expect to start for Heaven from this place," meaning Early Branch, and expressed a desire to be buried at Cypress Camp ground. While speaking of the comforts of religion, there came a baptism of the spirit upon our hearts, and we rejoiced together in Christ Jesus. Just before he died, he requested Brother William Stokes, who, for weeks, had, with deep solicitude, waited at his bedside, to convey for him an affectionate farewell to the members of the South Carolina Conference.

On the eleventh day of October, 1878, without a struggle, our venerable father in Israel closed his eyes in death, and went home to his reward in Heaven. His last audible expression was, "Look to Jesus."

REPORT OF THE BOARD OF MISSIONS.

The Board of Missions of the South Carolina Conference, Methodist Episcopal Church, South, respectfully submit the following report:

The information we have been able to obtain from our Mission fields, is not as full as usual; but, from verbal statements made by Presiding Elders and Missionaries, we rejoice to believe our Missionary operations have been unusually successful the past year.

Larger fields have been cultivated, new church edifices have been erected, extensive revivals have prevailed, and many precious souls have been converted. The people served have manifested an increased appreciation of our efforts to send the gospel to them, by contributing more liberally to the support of the Missionaries laboring among them. So that we entertain the reasonable hope that some of the charges now receiving aid, will soon become, not only self-sustaining but also contributors to the Missionary treasury; thus we shall realize the fulfilment of the inspired promise: "Cast thy bread upon the waters, for thou shalt find it after many days."

Encouraged by these tokens of Divine blessing, we "thank God, and take courage," resolving to urge on the holy work with renewed diligence, until every dark place in our territory shall be made radiant with the revelation of the "glad tidings" of salvation.

The Board resolved to continue to aid weak charges which, in the judgment of the Bishop and his council, need our help.

In the Spartanburg District, the Limestone Springs Mission, was discontinued as a Mission, and transferred to the roll of circuits.

The name of the Providence Mission was changed to Spartanburg Mission, and continued. It was reported to be in a flourishing state.

In the Greenville District, the Belton Mission was continued, and its name changed to Saluda River Mission; it is represented as being in a hopeful condition.

The reports from Pickens and Oconee Missons are favorable, and both are continued.

In the Orangeburg District, Edisto Mission was continued. A year ago the Board was at the point of discontinuing it, but at length resolved to try it again. Glowing accounts of its recent success, now fully vindicate the wisdom of our conclusion then. Many souls have been converted and brought into the church; and there is a good prospect that, with the blessing of God, this important field will develop into a flourishing circuit. A new Mission was recommended to be established near Graniteville, to be called Vaucluse.

In the Charleston District, two missions were favorably reported upon and continued, namely, St. Paul's and Hardeeville.

A new mission was recommended to be established in Charleston, S. C., to be called the Charleston City Mission.

The Board, in reviewing the labors of the past year, finds much to encourage, to stimulate to diligence, and to inspire the hope that the time will soon arrive when there will be no missionary ground in the South Carolina Conference, all having been won for Christ. Then our entire missionary charity will form an undivided stream, flowing forth with increased volume and irresistible momentum into the corrupt kingdoms of foreign lands to cleanse them from the ancient pollutions of heathenism and idolatry.

We can not close this report without expressing our unfeigned pleasure in observing the increasing interest of our preachers and people in Foreign Missionary enterprise; and, in this connection, we desire to record our most cordial approval of the action of the late General Conference in organizing the Woman's Foreign Missionary Work in connection with our beloved Church. We earnestly commend the promptitude with which a few of our noble women have responded to their new privileges and obligation; and we sincerely hope that the entire body of our female membership may soon be induced to join, with energy and enthusiasm, in this holy and aggressive movement.

The amount assessed by the General Board at Nashville for Foreign Missions for the ensuing year is $2,910. The amount assessed for the Domestic Missions for the ensuing year will be hereafter named, upon the recommendation of the Bishop and his council.

Respectfully submitted,

A. J. STOKES, *Secretary.*

GENERAL REPORTS.

REPORT OF COMMITTEE ON EDUCATION.

The Committee on Education have had under careful and candid consideration, the interests which the Conference has committed to them, and beg leave to embody in their report the following facts and recommendations. Before mentioning by name and in order the different educational institutions, under the care and patronage of the Conference, they would record and emphasize their sense of the importance of Christian education. Our Church cannot afford to be indifferent to the education of her young. To leave our children and youth in the formative period of character and life, to influences uncontrolled by the watchful care of the Church, is to run the double risk of allowing the development of their intellects at the expense of their religious susceptibilities, and of allowing their alienation from the Church of their fathers. It would be difficult to overestimate the danger of an education which develops the mind and character without controling them in the interest of truth, and without conserving their highest interest and welfare. Education may be of great service to us, or it may be a curse. That which loses sight of our spiritual and immortal possibilities may be but an instrument of evil. That which controls and conserves our moral character,

under the influence of the spirit and grace of God, is of inestimable value. We thank God that the Church has provided such institutions as she has for the culture of our young. We recommend them to the patronage and support of our people without any hesitation. We call your attention to our institutions.

I. Cokesbury Conference School.

The Cokesbury Conference School has just closed its eighty-fifth session under the rectorship of Prof. J. P. Pritchard, who has been re-elected for the ensuing scholastic year. Thirty-five students have matriculated during the past year. The general deportment was good; and the progress in study satisfactory. The school is accessible by the G. & C. R. R., is in a proverbially healthy location, and free from the demoralizing influences of drinking saloons. The school building is in good repair, large and commodious. There is a small debt hanging over the institution of $115, which was contracted in the exchange of their former for their present building, and in some necessary repairs. The endowment fund is not available for the extinguishment of this debt.

We recommend the election of the following trustees: The Presiding Elder of the Cokesbury District, the preachers in charge of the Cokesbury Station, Cokesbury Circuit, Abbeville Station, Greenwood Circuit, and B. Z. Herndon, W. V. McGee, Dr. F. F. Gary, W. A. Moore.

II. Columbia Female College.

The Columbia Female College, under the administration of President J. L. Jones, has had an unusually successful year.

The curriculum of the College has been elevated and extended, and is now equal to the best of its kind in the land. The very latest modes and appliances have been adopted, with the view of conferring the greatest good in the least possible time. President Jones has associated with him an unusually large corps of teachers.

We believe that the boarding department has given entire satisfaction, no echo of complaint has come from any quarter. This is largely due to the admirable management of Mrs. Jones, who acted the part of the true mother to her adopted household. The health of the pupils has been excellent; no case of illness requiring special attention has occurred since the last report rendered twelve months ago. The patronage of the College has steadily increased, and thus early in the fall session the number of pupils is one hundred, nearly one-half of whom are boarders.

The South Carolina Conference has much of material benefit and reputation involved in the Columbia Female College, and it is a gratification to know that more active interest is now taken than at any time since its re-organization. We are sorry to add, the College is still embarrassed by financial difficulties. These difficulties, however, can be managed by a little aid from the Church. The financial amount and manner of this aid, we recommended in another part of the General Report of your Committee.

Your Committee nominate the following as the Board of Trustees, to serve for the two years next ensuing: Rev. E. J. Meynardie, Rev. J. A. Porter, Rev. A. J Cauthen, Rev. A. J. Stokes, Rev. T. G. Herbert, Rev. R. P. Franks, Rev. H. M. Mood, Rev. W. F. S. Wightman, Rev. M. Brown. *Lay*—H. T. Wright, J. P. Southern, J C. Dial, R. D. Senn, J. A Elkins, R. H. Jennings, W. T. D. Cousar, and *ex-officio* the Presiding Elder and preachers in charge of the churches in Columbia.

Committee of Examination,—Rev. L. Wood, Rev. R. D. Smart, and J. C. Pike.

III.—Wofford College.

Dr. Carlisle, the President of the College, in his report to the Board of Trustees, says:

"The twenty-fifth collegiate year began October 1. A primary class of thirty-one Freshmen was admitted. There are now ninety-two names on the roll. We are thankful to report a few months of quiet, successful College work. The health of the students is as usual. The recent changes in the distribution of duties among the officers seems to work well. The young officers are diligently and faithfully meeting the demands made upon them."

Board of Trustees: Bishop W. M. Wightman, H. A C. Walker, Wm. Martin, W. P. Mouzon, H. M. Mood. W. C. Power, S. A. Weber, S. Bobo, Dr. B. Wofford, G. W. Williams, W. K. Blake, S. M. Rice, D. R. Duncan.

In discharging the duty of advising what our "Israel ought to do" for Wofford College, the Committee recommend liberal things. The coming year will be the twenty-fifth of the existence, and toils, and successes of Wofford. It should be, it must *be* signalized by a fitting offering to this mother of Methodism. Her rich gifts to us, our own dignity, and our solemn duty to the God of all wisdom demand that we pour no mean offering into her lap. She must be amply endowed!

The Committee therefore offer the following resolutions:

1. *Resolved*, That the endowment fund of Wofford College be increased during the coming year to the sum of two hundred thousand dollars.

2. *Resolved*, That to this end, endowment mass meetings be held in every charge in the Conference, at which lay and clerical speakers from such charge and from abroad shall present the needs and claims of said College, and collections in bonds and in cash shall be had.

3. *Resolved*, That at each endowment mass meeting earnest efforts be made to realize, by the cash collections, at least one dollar for every member of the charge in which said meeting be held.

4. *Resolved* That the Presiding Elders be required to co-operate in all preparations for these endowment mass meetings, and to be personally present and assisting at them whenever practicable.

5. *Resolved*, That the financial agents of the college be required to aid the Presiding Elders and preachers in charge in all arrangements for such mass meetings, and be required to attend and labor in the same, when not hindered by other duties.

6. *Resolved*, That of the collections of cash to be thus made, the sum of twenty-five hundred dollars be applied to defray the current expenses of Wofford College, and the sum of one thousand dollars be devoted to the necessities of Columbia Female College.

7. *Resolved*, That no educational assessment be levied for the year 1879, upon the Districts and Charges of our Conference.

Your Committee respectfully nominate Whitefoord Smith and W. W. Duncan, as Professors in Wofford College; J. Walter Dickson, as Professor in Columbia Female College; Albert M. Ship, as Professor in Vanderbilt University, and Samuel Lander as President of the Williamston Female College.

Your Committee also nominate John A. Porter to preach the sermon before the undergraduates of the next Conference.

Respectfully submitted,

SAMUEL A. WEBER, *Chairman.*

REPORT No. 1—ON BOOKS AND PERIODICALS.

Your Committee on Books and Periodicals entertain the profound conviction that the Southern Methodist Publishing House, as constituting the great beating heart of Southern Methodist literature, cannot be too highly

valued, or too warmly and zealously commended to the fostering care and liberal patronage of this Conference of ministers and laymen, and through them to South Carolina Methodists and the public generally.

In the success of this great connectional centre and bond of union, we all have and should feel a common interest. Its failure would not be felt as a financial loss only, or mainly, but the effect of such a catastrophe would be to arrest the spread of religious truth as held and propagated by the Church at large, and authorize the inference that, as a great aggressive denomination, there is manifestly lacking the necessary element of Christian liberality.

Your Committee feel called upon to give special emphasis in this report to the well-devised plan recently projected for the relief of our Publishing House, and would heartily commend it to the approval of this body, as carrying upon its face the promise of success under its present management.

The Committee submit the following resolution:

Resolved, That this Conference offer Dr. J. B. McFerrin, agent, a warm welcome as the representative of this important interest, and that we will heartily extend to him our practical sympathy so far as we are able.

J. B. CAMPBELL, *Chairman.*

REPORT No. 2.—ON BOOKS AND PERIODICALS.

Your Committee to whom was referred this important and suggestive subject forming the caption of this report, feel and would express the conviction that the Church cannot magnify the real force of a healthy denominational literature, beyond its great value as a prime factor in "spreading Scriptural holiness over these lands."

"The truth, as the truth is in Jesus," forms in itself the admitted groundwork upon which is reared the superstructure of a sound and evangelical faith in our Lord Jesus Christ, as the Saviour of this world. The great central doctrines and facts of the gospel must first be intellectually apprehended as the basis of confidence in God, and Christianity, as a saving system before the heart is prepared to yield up its great powers to the processes of Divine grace in the work of conversion. These doctrines and facts constitute the major current of thought throughout the literature of the Church of Christ, and all over the world.

Your Committee have had under consideration, the papers forwarded by Rev. J. W. Hinton, D. D, looking to the early publication of a Quarterly Review, and beg leave to suggest to the Conference the importance of rallying at once, and bravely, to this call for patronage. The Review, placed in the custody of the able editor selected for its management; and guarded and supported, as it will be, by the accomplished corps of contributors, offer the guaranty of success so far as the literary labors of the work is concerned. We are gratified also to state the Review has already the promise of financial success, should the plans mature fully that are now projected.

Your Committee would unite, with unmingled satisfaction and pleasure, in offering congratulations to this Conference of Ministers and Laymen, and through them, to the Methodists in South Carolina, on the return to this State, of the old Southern Christian Advocate after so many years of absence. This Conference would recognize, and here express, through your committee, the great satisfaction felt at the liberal terms on which the house of Messrs. Walker, Evans & Cogswell have begun, and propose to continue the publication of the paper; as also the zeal and untiring devotion of the Associate Editor, Rev. S. A. Weber, who has been able to furnish weekly installments of news of the most interesting and instructive character.

Your Committee would with great heartiness and unanimity, express their pleasure at the evident wisdom of the General Conference in the election of the Rev. O. P. Fitzgerald, D. D., as editor of the Nashville Christian Advocate. Dr. Fitzgerald needs no commendation from this body, as his work so

well and faithfully done, speaks freely and loudly his praise. He brings to this new and important post of honor and usefulness, a long experience in religious journalism; and his weekly labors as they appear for the inspection of the entire Church in the columns of the paper, attest at once his eminent fitness for the work assigned him, as well as suggest a bright future for our great connectional organ.

The Sunday-school Magazine and papers placed in the hands of the Committee by Dr. J. B. McFerrin, have been examined, and it is with unembarrased earnestness that their intrinsic merit is urged, on the grounds of their circulation and use. Especial attention is called to the "Sunday-school Lessons," for the "First Quarter of 1879," in neat pamphlet form, as embodying the material usually given in loose Lesson Papers. The Pastors of Churches, and Superintendents of Sunday-schools are urged to send on at an early day and procure these lessons for use the first of the year.

The following resolutions are offered for adoption by this Conference:

1. That it is with great regret that this Conference accepts the resignation of Rev. F. M. Kennedy, D. D, editor of the Southern Christian Advocate, made necessary by severe personal affliction; and that we tender him our unfeigned sympathies and prayers.

2. That this Conference wish the success of, and would offer encouragement to the various publishers and editors of the periodicals above reported upon, and promise them a liberal share of patronage.

3. That this Conference pledge its support to the publishers of the Southern Christian Advocate, Messrs Walker, Evans & Cogswell, in their efforts to place the paper into the house of every Methodist family in this State.

All of which is respectfully submitted.

J. B. CAMPBELL, *Chairman.*

REPORT OF THE COMMITTEE ON TEMPERANCE.

The Committee to whom was referred the subject of temperance beg leave to report: That we have given the matter our careful consideration, and regard it as one of no ordinary magnitude and importance. There is no language sufficient to depict the evils of intemperance. Its blighting touch has been seen and felt in every phase of society. None are exempt from its direful consequences. The Church herself has suffered by the prevalence of this degrading vice. Notwithstanding the restrictive rule of the Church, and the untiring efforts of societies of reform, this ruinous evil still prevails. The combined influence of the pulpit, press, and temperance societies, has largely abated the habit of intoxication, but it is not extinct. Many homes are rendered gloomy, and the helpless inmates endure indescribable suffering of both body and mind in consequence of the persistent inebriation of a husband and father. The cry of the helpless, the wail of the destitute and suffering, and the groan of the justly punished criminal, appeal to us to inaugurate some measure to relieve the country of this grievous and destructive curse. The Church may control those within her pale, the temperance societies may reform those whom they may induce to sign their pledge, but there are still thousands, whom neither the Church, nor the temperance organizations can reach. It is still sold in the shambles, and drank on the streets. Something ought to be done to prevent its promiscuous sale and use. Therefore,

Resolved, That the South Carolina Conference is as much as ever impressed with the importance of total abstinence from intoxicating drinks amongst all classes of society.

Resolved, further, That we heartily approve of, and will cheerfully participate in, the efforts now being made to secure the enactment of a prohibitory law by the Legislature of the State.

Respectfully submitted,

S. P. H. ELWELL, *Chairman.*

REPORT ON BIBLE CAUSE.

Protestantism has been designated as "Bible Christianity," and the true glory of a Christian minister is that he is a "Man of one Book," for all intelligent Christianity is based on the Holy Scriptures, therefore

1. *Resolved*, That we recognize in the "American Bible Society" an institution that is winning vast conquest for Christ in giving the Word of God "without note or comment," to so many perishing souls of men; said Society having the Bible and parts of the Bible printed in nearly one hundred languages and dialects, and sending into circulation seven hundred thousand copies a year.

2. That we will co-operate with this Society in every possible way, this co-operation being more needful *now*, as the parent Society employs no special agent in our State.

3. That the Word of God should be read daily in our secular schools.

Respectfully submitted.

J. B. TRAYWICK, *Chairman.*

REPORT OF THE SUNDAY-SCHOOL BOARD.

In the absence of figures for the current year, your Board avails itself of those for last year, viz:

Number of schools	505
Number of officers and teachers	3,112
Number of pupils, white	21,939
Number of pupils, colored	78

While these figures are not so large as they should be—for we think the Sunday-school should aggregate in numbers the members of the Church—yet they furnish reason for devout thankfulness to the Head of the Church for the success attending our efforts in this field, and, comparing the present with the not distant past, inspiration for the future.

It is needless to argue the importance of the Sunday-school. This is now universally allowed. No Church that hopes to perpetuate itself can afford to neglect this department; and, if we would be true to our record, to ourselves, and those to come after us, we must be wise, active and faithful in fostering and extending our Sunday-school work.

The Board recommends the adoption of the following resolutions, adopted, in part, last year:

1. *Resolved*, That, being as much as ever impressed with the value of Sunday-school work, we renew our pledges to continue our interest in, and labor for, its promotion.

2. *Resolved*, That we continue to urge upon our people interest in the Sunday-school, and that they, as far as practicable, identify themselves therewith in some way.

3. *Resolved*, That while we are faithful to our own schools and interests, we also co-operate, as far as may be, in township, county and State movements in behalf of this cause.

4. *Resolved*, That we commend to our people our own Sunday-school publications, so ably edited by Dr. Cunningham, and sent out in such beautiful style from our own Publishing House, especially the Quarterly Lesson Papers.

Respectfully submitted.

J. M. CARLISLE, *President.*

REPORT OF COMMITTEE ON SOUTHERN CHRISTIAN ADVOCATE.

The Committee on the *Southern Christian Advocate* beg leave, respectfully, to report: That they have had under careful consideration all the interests in which the Conference and the Church are involved in the publication of this journal, so far as in their judgment they felt warranted to advise.

The *Southern Christian Advocate* was established in Charleston, S. C., in 1837, under the auspices of the three patronizing Conferences of South Carolina, Georgia, and Florida. This alliance continued up to the last General Conference, at which the delegation of the Georgia Conference declined to renew the contract, and signified their purpose of starting "a new paper," to be called "*The Wesleyan Christian Advocate.*" This was formally announced in a communication to the delegation of the South Carolina Conference, and was so reported to the General Conference. At the removal of the *Southern Christian Advocate* from Charleston, arising from the contingencies of war, it was a distinct stipulation at the time, and it was expressly renewed in every subsequent contract, that so soon as circumstances would permit the paper should return to the old seat of publication. Acting on this announcement and stipulation, the delegation of the South Carolina Conference took immediate steps for the removal of the paper from Macon, Ga. They entered into contract with Messrs. Walker, Evans & Cogswell, enterprising and trustworthy publishers at Charleston, to issue the paper, and secured from them the most satisfactory terms. The publishers agree to assume all financial liability, and to issue a first-class forty-column religious journal, under the auspices of this Conference, for two dollars and fifty cents per annum for each subscriber; free of charge to the bishops, the superannuated preachers, and the widows of the Conference, and at a reduced rate to the preachers, besides allowing them forty cents, and to the Conference ten cents, on each annual subscriber. They offer the columns free to all advertisements appertaining to the Conference.

The Committee would express profound regret at the sad dispensation which has required the former editor, the Rev. F. M. Kennedy, D. D, to retire from the position which he had sustained with ability and dignity; and they would take the liberty of expressing their pleasure and satisfaction

at the editorial management of the paper by the associate editor, the Rev. S. A. Weber, under whose care the journal has been elegantly enlarged, and is growing in popularity.

The prestage of the *Southern Christian Advocate* handed down unimpaired for more than a generation, commands the respect of the religious world. The name itself has been a beacon light of the Church. Possessing the advantages of the best publishing center at the South, and the financial guarantee of one of the largest and most influential business houses of this country, the paper now only lacks the hearty support of the preachers and people, to become a powerful auxiliary to our pulpits, and a religious blessing to our homes.

The Committee would urge the preachers to use their utmost efforts to bring up the circulation of the paper to ten thousand subscribers.

The preachers stand pledged to do their part for the publishers, who on their part, have assumed all liability. It would appear, with a membership of forty-four thousand within the State, if the members of this Conference go forth fully imbued with the spirit to work for the diffusion of a healthy religious literature throughout the Church, that the *Southern Christian Advocate* will again take a prominent place among the shining lights of religious journalism, and will become the vehicle of a heaven inspired christianity to tens of thousands of our people.

Wherefore the Committee respectfully submit to the Conference, the adoption of the following resolutions:

Resolved, 1. That the Conference heartly approve the action of the delegation to the last General Conference, in bringing back the *Southern Christian Advocate* to the old seat of publication, and the favorable contract made with the publishers.

Resolved, 2. That the Publishing Committee of the *Southern Christian Advocate*, be composed of four clerical and two lay members, namely: The Presiding Elder of the Charleston District, the Preachers in charge in the City of Charleston, F. J. Pelzer, and G. W. Williams, Esqrs.

Resolved, 3. That the amonnt now due the Conference by the publishers for annual subscribers, be placed at the disposal of the editor, to be used by him in securing the best literary talent for the paper.

Resolved, 4. That the Conference elect by ballot, an editor whose term of offlce shall extend to the session of the Conference next preceeding the General Conference.

Resolved, 5. That the Conference respectfully request J. W. Burke & Co., the former publishers of the *Southern Christian Advocate*, to return the old files of the paper to this Committee of Publication. Respectfully submitted.

J. T. WIGHTMAN, *Chairman.*

XVI.

IN MEMORIAM.

"Strong Son of God, immortal Love,
Whom we that have not seen Thy face,
By faith and faith alone embrace,
Believing where we cannot prove.

"Thine are these orbs of light and shade;
Thou madest life in man and brute;
Thou madest Death; and lo, Thy foot
Is on the skull which thou hast made."

"Nor blame I Death, because he bare
The use of virtue out of earth:
I know transplanted human worth
Will bloom to profit otherwhere."

"With God, which ever lives and loves,
One God, one law, one element,
And one far off divine event
To which the whole creation moves."

LEADING PECULIARITIES.

1. THE ONE-STUDY PLAN.—During the first five weeks, the Academic Classes recite three times a day in Arithmetic and once in Spelling; and the Collegiate Classes, three times in either Algebra, Geometry, or Trigonometry, once in Arithmetic, and once in Spelling.

The next five weeks are devoted to Natural Science; the next, to Languages; and the last, to Belles-Lettres. After an experience of three Sessions, we firmly believe that our labors are fully fifty per cent. more serviceable to our pupils than they were under our former system of crowding several difficult studies on their attention at once.

2. SEMI-ANNUAL COURSE.—New classes are formed every Session, instead of only once a year, as formerly. New pupils are more easily classified, a higher standard of scholarship is practicable, and graduation may occur equally well in June or December.

3. PREMIUMS.—Every regular pupil whose sessional average is 80 per cent., or more, is entitled to a discount of from 10 to 50 per cent. from her next Session's regular tuition.
